

Community in Action

We would love to share your WAC activity from across the globe with our alumni community.

Please see suggestions below:

- Share your pictures with us from each of your locations and tag @londonbschool on Instagram and @LondonBusinessSchool on LinkedIn. Make sure you include the hashtag - #LBSWAC
- We will share a selection of your photos on the official LBS Instagram and LinkedIn channels, so please don't forget to follow the pages, tag the School and use #LBSWAC
- Please make sure your photos are clear, vibrant and show the celebratory spirit of the event. Group photos are welcome, as well as individual photos
- Please keep pictures with alcohol to a minimum if you would like us to share specific images on our channels that you tag us in.

Photos and videos to be shot/recorded in landscape:

- We'd love to see pictures of you all together – either in a location unique to your country or holding a flag of the country you're in!
- If you could also record a group video saying 'Together, we'll create The Second Sixty'– this can be done either in English, or preferably in the language of where you're from.

If you have any questions please contact WAC@london.edu.
