

Hotel Partners London

Academic Year 24/25
August 2024

- LBS has agreed rates with 7 hotels in London, which are valid until 31st July 2025 (with the exception of the Dorset Square, which is valid till December 2024). The rates are available to all members of the London Business School Community. The hotels may close their corporate rates during peak times. To guarantee the rate, make your reservations as far in advance as possible.
- Individual bookings must be made directly with the hotel selected, using the relevant contact details for the property. In order to secure the corporate rate, please ensure you clearly state London Business School when contacting the property to make your reservation. Where possible, use an london.edu email address, or reference the programme and/or event you are attending.
- All bookings and rates are subject to availability and are bound by the terms and conditions in each property. All bookings should be made as far in advance as possible, as our rates may not be available during the high seasons. All rates are based on single occupancy, supplements will apply for double/ family rooms. Our rates are set for specific room categories, should these not be available, an alternative may be offered and a supplement may apply
- London Business School rates are NOT available to third party travel agents. Should a booking be made online via a 3rd party reservation/ travel site, or via an agent, the terms and conditions of the rate booked, or the specific agent terms and conditions will be applicable and you will not be eligible for any additional London Business School benefits.
- Group booking terms and conditions will apply to block reservations, particularly in relation to cancellation timeframes. During some periods group rates may be higher, subject to availability.
- All bookings that are made & are to be paid for by LBS must have a Purchase Order reference number, either LBS or CMD. Contracts must only be signed by the company paying for the booking, LBS does not guarantee as per TOM policy. Group contracts must be signed by the company that are guaranteeing/ paying for the booking.

London hotels are generally extremely busy from August – December and March – July, so all bookings should be made as far in advance as possible, the cancellation terms for individual bookings are generally around 24 hours, with groups generally around 30 days (subject to size & availability), so key is to book sooner rather than later, as there is scope for cancellation.

As our rates are not based on last room availability, should a property see their occupancy increase, they will close out all corporate rates, at which point, we will generally receive around 15% discount on the best available rate showing on the hotel's website.

Restricted availability dates could include:-

December	Whole month
Easter	18 April – 21 April 2025
