LBS has agreed rates with 7 hotels in London, which are valid until 31st July 2025 (with the exception of the Dorset Square, which is valid till December 2024). The rates are available to all members of the London Business School Community. The hotels may close their corporate rates during peak times. To guarantee the rate, make your reservations as far in advance as possible.

Individual bookings must be made directly with the hotel selected, using the relevant contact details for the property. In order to secure the corporate rate, please ensure you clearly state London Business School when contacting the property to make your reservation. Where possible, use an london.edu email address, or reference the programme and/or event you are attending.

All bookings and rates are subject to availability and are bound by the terms and conditions in each property. All bookings should be made as far in advance as possible, as our rates may not be available during the high seasons. All rates are based on single occupancy, supplements will apply for double/family rooms. Our rates are set for specific room categories, should these not be available, an alternative may be offered and a supplement may apply.

London Business School rates are NOT available to third party travel agents. Should a booking be made online via a third party reservation/travel site, or via an agent, the terms and conditions of the rate booked, or the specific agent terms and conditions will be applicable and you will not be eligible for any additional London Business School benefits.

Group booking terms and conditions will apply to block reservations, particularly in relation to cancellation timeframes. During some periods group rates may be higher, subject to availability.

All bookings that are made are to be paid for by LBS must have a Purchase Order reference number, either LBS or CMD Contracts must only be signed by the company paying for the booking, LBS does not guarantee as per TOM policy. Group contracts must be signed by the company that are guaranteeing/paying for the booking.
