

General Management FAQs

What does the programme fee cover?

It covers all required study materials and programme activities, as well as refreshments and most meals. It also includes single-occupancy en-suite accommodation near campus and access to a well-appointed gym with a swimming pool.

Do you offer any scholarships?

We offer several scholarships for exceptional female leaders. Find out more [here](#).

Do I need to attend the whole Executive Education programme?

Yes. To optimise the learning experience for you and your group, you will be expected to attend all programme sessions and activities, including group work and coaching sessions. You'll also be expected to take part in scheduled social events and peer-to-peer learning.

Do I get a certificate of attendance once I've completed the programme?

Yes. You will get a certificate of attendance and you'll join a global Executive Education Alumni network with more than 17,000 members.

What is the application process?

You can apply to the programme of your choice online. Acceptance is not automatic and your application will be reviewed by our Admissions Committee to ensure the best fit between applications and programmes. Spaces on our programmes can fill up quickly so we encourage you to apply early and ensure your submission is as comprehensive as possible.

What is the dress code for the programme?

We recommend smart casual Business attire isn't required (e.g suit and tie), but you're welcome to wear it if you wish. Some programmes have classes or exercises taking place away from the lecture theatre. In those instances, you may need suitable clothing, depending on the activity – we'll provide plenty of notice if that's the case.

Do I need to bring my laptop?

We would advise you to bring your laptop and headphones, you can also use a tablet device.

Will I have time for work calls and meetings?

To get the most from the experience, we recommend that you come prepared to focus on the programme. There will be regular breaks for meals and refreshments, but we encourage you to immerse yourself in the experience as much as possible and to make arrangements at work for adequate cover while attending.

Are there any terms and conditions?

Yes, please review our T&C's for more information. Ending your participation in the programme (which includes any substitutions, transfers or postponements) must be confirmed via email to the [Admissions Office](#). Cancellations received more than six weeks before the programme starts aren't subject to any penalty.

What if I need to cancel?

Providing you inform us in writing no less than six weeks before the programme's start date, you won't be charged a cancellation or transfer fee.

Read our full terms and conditions [here](#).

Do I need to obtain a visa if I'm coming from overseas?

Visa requirements vary depending on your nationality and country of residence. We encourage you to use the ['check if you need a visa'](#) tool or to consult the UK consulate or embassy in your home country.

What facilities do you have at the London campus?

We have a gym with a swimming pool, the latest fitness equipment and daily exercise classes. On campus you will also find eateries serving a range of food and drinks, and library access throughout the duration of your programme. Please take a look at our campus map for a full overview of the location.

What level of English is required?

All of our programmes are conducted in English and participants are expected to be able to understand, and contribute to, what can be very fast-paced class discussions.

Can I bring my partner/family along?

Our programmes are very intensive with classes and social interactions running late into the evening, so you'll have limited time to spend with family. For this reason we do not encourage you to bring partners or family to campus for the duration of the programme.

Will I have to do any preparation before attending the programme?

You'll receive instructions from the Programme Team around six weeks before starting the programme. The information we send will direct you to our online learning platform which will include the programme timetable, pre-programme reading and preparation work, and the opportunity to connect with your fellow participants.
