Masters in Financial Analysis

Welcome to the Masters in Financial Analysis class of 2020.

Our largest and most diverse cohort of 157 students are laying the foundation to launch successful careers in the competitive world of finance. Over the next 12 months, they will acquire a broad range of knowledge on capital markets, corporate finance, analysis of financial statements and valuation techniques with a global perspective. Experiential learning elements allow for practical applications in London and abroad. Business communication and technical skills training further enrich their full-time experience. Our MFA students thrive on intellectual and professional curiosity within London Business School's (LBS's) collaborative learning community.

These well-rounded students represent 42 nationalities, which in turn creates a rich multicultural dynamic both within and outside the classroom. Our world-class faculty and leading recruiters work together to develop a rigorous curriculum, ensuring our MFA students leave the School with the relevant workplace skills and knowledge to thrive in a wide range of sectors, industries and locations across the globe.

Highly motivated and exceptionally talented, these young professionals are ready to channel their energy to great effect in your organisation and the wider world.

Lisa Bohner

Programme Director

Academic excellence

Firmly established as a global centre of financial excellence, LBS is renowned for attracting teaching talent of the highest calibre, for cutting-edge academic research and for ensuring real-world relevance in everything we do. In turn, our exceptional faculty create top-ranking programmes with an emphasis on rigour, the practical application of research and our close connections with business.

London spirit

As a global financial capital, London houses the world's leading financial institutions and around 75% of the globe's top 500 businesses. London is also home to more than 300 nationalities, so studying with us not only combines the diversity of London life with the sheer vibrancy and academic excellence of our campus community, it also makes you better equipped to work anywhere in the world that you – or your future employer – may choose.

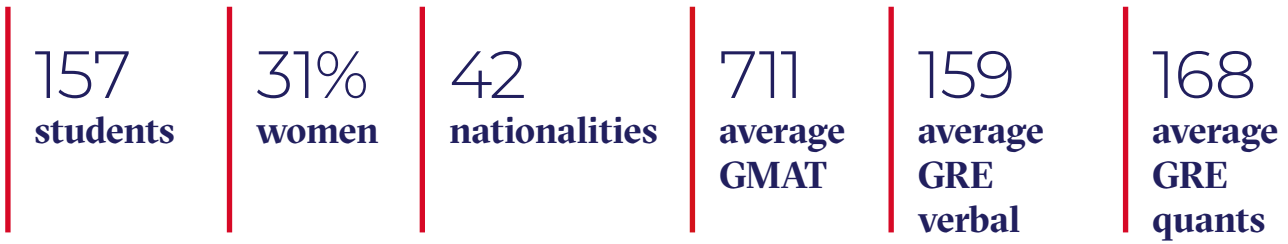

Career impact

The career move you make after this programme is crucial. Our Career Centre team are experienced sector recruitment advisors and career coaches and will give you the tools you need to make your job search focused and effective. Crucially, you will enhance your practical experience, developing the skills you require to compete and succeed in the global career market.

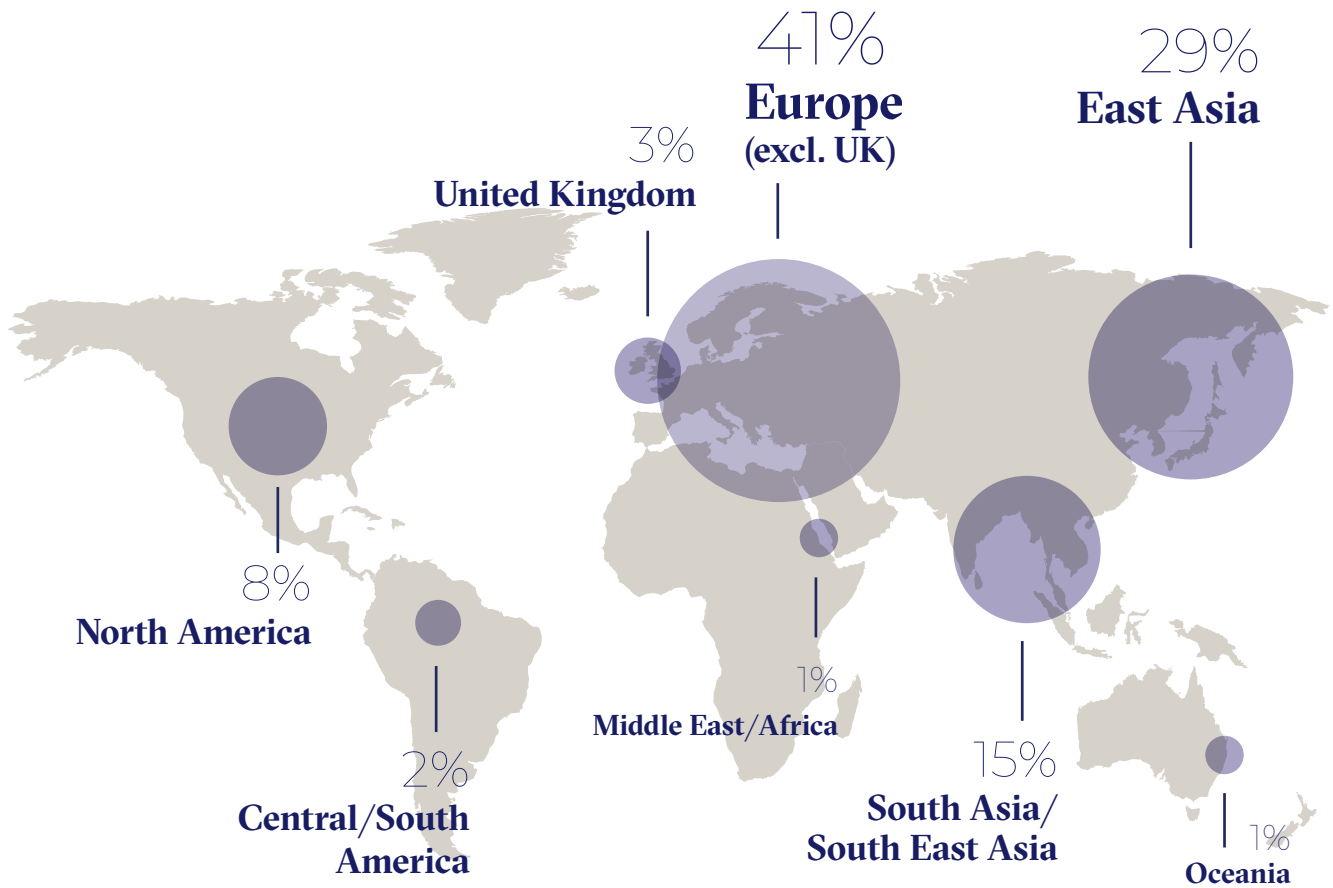

Global mindset

As one of the world's consistently top-ranked business schools, we're valued by leading employers and our graduates. The diversity of our student body and faculty gives you a truly international experience and the ability to do business in any context.

Undergraduate study discipline

Please note that programme statistics have been rounded to the nearest whole number.

“The MFA offered me the exclusive combination of studying under world-class academics and receiving unparalleled careers services. I felt like LBS invested in my personal goals in a way no other school could compete with.”

Mark Jalleh (Malaysian), MFA2020

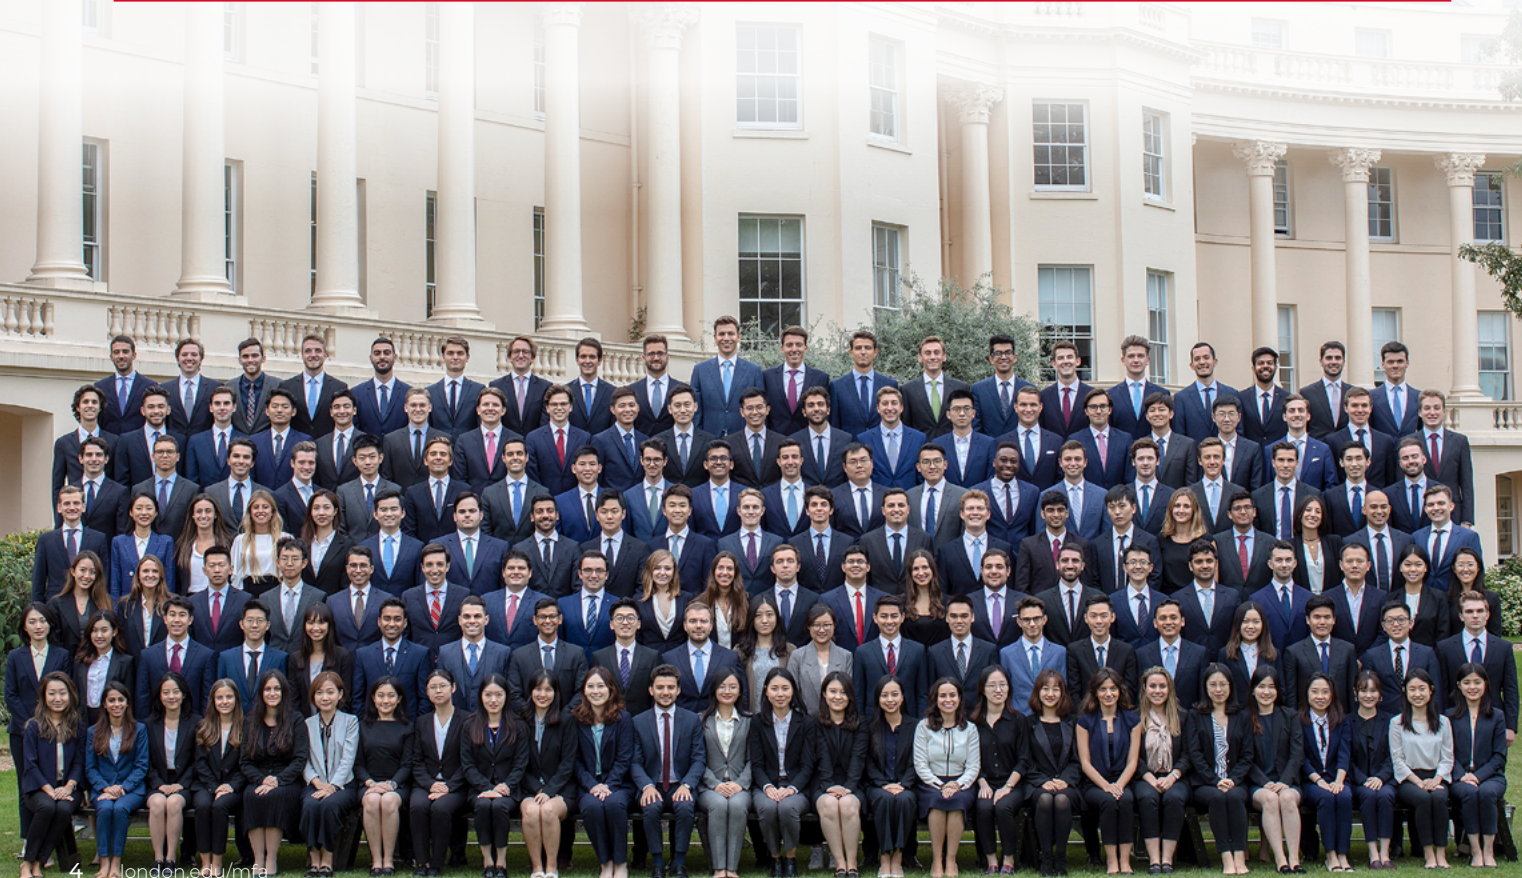

“I chose LBS first and foremost because of the diversity both in nationalities and backgrounds of its students. This provides for a very enriching and stimulating environment. It also has a great choice of electives which allows you to specialise in the area of your choice and set yourself apart in today’s competitive world. Finally, LBS is a world-renowned institution which offers great prospects for employment thereafter.”

Charlotte Cottier (Swiss), MFA2020

“I pride myself on being part of an institution that strives to maintain excellence by actively promoting equality, inclusion and diversity as its cornerstones. The shared desire of the whole community to make an impact on the world through academic excellence and cutting-edge research is what truly makes LBS a place where minds come alive.”

Giambattista De Cian (Italian), MFA2020
